9:30 AM

- 64-A.** Recommendation as submitted by Supervisors Solis and Kuehl: Instruct the Director of Health Services to refrain from disenrolling children under the age of 19 from the My Health LA (MHLA) program until December 31, 2016 to ensure these children can successfully transition to full-scope Medi-Cal; instruct the Director of Public Social Services to conduct a match on a monthly basis until December 31, 2016, between its database of Medi-Cal recipients and a monthly list of children under the age of 19 enrolled in MHLA provided by the Department of Health Services, to track progress in getting MHLA children enrolled in full-scope Medi-Cal and to facilitate disenrollment of MHLA children under the age of 19 who are determined to be enrolled in full-scope Medi-Cal; and instruct the Director of Health Services, in coordination with the Community Clinic Association of Los Angeles County, to conduct an analysis to reevaluate the rate methodology for MHLA, given that the program's percentage of adult members, who require a higher level of service than the program's pediatric population, will increase, and report back to the Board within 60 days with their findings. (16-2298)

Cynthia Carmona, Elisa Nicholas, Jessica Ho, Linda Lopez, Maria Paz, Ruth Sarnoff, and Arnold Sachs addressed the Board.

Supervisor Ridley-Thomas made a motion to instruct the Director of Health Services to report back to the Board in writing on the potential impacts Senate Bill (SB) 75 can have on the My Health LA (MHLA) rate methodology, and on the rates of default assignments for children as they transition on the new SB 75 program; and provide an update on the Board's previous instruction to consider improvements to MHLA, such as increasing the income threshold, adding additional services and easing the re-determination process (Board Order No. 14 of August 11, 2015).

After discussion, this item, as amended, was duly carried by the following vote:

Ayes: 4 - Supervisor Ridley-Thomas, Supervisor Kuehl,
